DOCUMENT Q:

In the last few weeks we have added the following to our UKAS accredited Doc Q packages:

Profile 22 Optima French doors

Profile 22 Optima single doors

This is our second package for Optima this time featuring the Ingenious Duplex door which we have just added to our range (see below). So P22 Optima fabricators will be spoiled for choice !!

Call the Winlock sales team for further information on any of our Document Q packages.

NEW PRODUCTS:

We have just announced our new partnership with Ingenious for their range of multipoint locks and accessories.

In particular we are delighted to be offering the Ingenious Duplex 5 hook lock and also the 13mm axis one-piece striker which requires no additional steel tops to get through PAS024.

These are great new products – call us on 01952 602250 for more information.
