

This week we focus on our UK manufactured Tilt & Turn Handles which are available in Any colour!

As the only UK manufacturer of tilt & turn handles we are uniquely placed to offer a bespoke colour service - our handles are painted BEFORE assembly not after, so no chance of areas being missed or parts overpainted. Like all Winlock Specials our tilt/turn handles are made in the UK to the highest quality and are available exclusively from Winlock and most are available in standard colours ex-stock.

All our tilt/turn handles are available in any colour, and you can choose from the following ranges:

MUNDIAL TBT
